Simplex Self-Managed Superannuation

SSS, and its authorised administrators, is different to many advice practices. Our related entities, NKH Knight Holdings Pty Ltd, holds its own Australian Financial Services Licence (AFSL #438631, the ‘Licensee’)

As Administrator advisers, along with the Licensee, we are required to comply with the obligations of the Corporations Act and the conditions of the licence. This includes the need to have Professional Indemnity insurance in place, which covers us for any errors or mistakes relating to our advice services. This insurance meets the Corporations Act and covers advice provided by us and our advisers after they cease working with us provided we have notified the insurer of the claim when it arises and this is done within the relevant policy period.

What services do we provide?

As administrators, SSS’s authorised advisers provide General Financial Advice only, and can arrange dealing, in:

- Superannuation and Self- Managed Superannuation Funds (SMSF’s), to both wholesale and retail clients.

The financial advice process

When financial planning or personal advice services are required an Authorised Representative will provide you:

- Their FSG;
- A Statement of Advice (SoA) or Record of Advice (RoA) which documents previous advice Knight Financial Advisors have provided to you; and
- Other disclosure documents, as applicable to your situation.

We work together with Knight Financial Advisors to help clients develop financial strategies that align with their life goals and objectives. Knight Financial Advisors then help our clients to act on this advice.

If Knight Financial Advisors provide you with financial services they will give you a copy of their FSG.

Knight Financial Advisors provides high quality strategic financial and investment advice across a wide spectrum of financial authorisations and products.

Knight Financial Advisors act for you when giving personal advice and arranging financial products for you.

Fees, how we are paid and who we pay

You will not be charged a separate fee for our general financial advice or any instructions you provide us to deal in superannuation products, as we will receive fees and remuneration from the hourly rates we charge you preparing your tax, accounts and providing advice generally.

Our administrators are paid an annual salary for the services provided to you. Our directors may be eligible to receive a performance bonus if they meet pre-set agreed performance indicators and, as owners of the business, a distribution of profits.

The fees for financial planning, personal advice or dealing services will depend on the type of services that are provided by Knight Financial Advisors Pty Ltd and will be payable to them.

Conflicts of interest

Associated businesses

As part of providing our services, we may refer you to other businesses in the NKH Knight Group (which provide personal financial advice, accounting, tax and other SMSF services) or any of its subsidiaries.

These businesses have common ownership with SSS, NKH Knight Holdings and Knight Financial Advisors and are related bodies corporate within the meaning of the Corporations Act, 2001. We may receive a distribution of profits if our clients use their services.

We may hold investments we discuss

Your administrator adviser may provide general advice on investments, which they, or the director(s) and shareholders of our business, may hold or may hold in their own personal portfolios.
